Re: *Ex Parte* Communication
WTB Docket No. 01-108

Dear Ms. Salas:

On October 4, 2001, Andrea Williams, CTIA's Assistant General Counsel, sent the attached document via electronic mail to Karen Peltz Strauss and Pam Gregory in the FCC's Consumer Information Bureau. While the document is primarily a summary of a meeting addressing issues related to hearing aid and digital wireless phones compatibility, it also includes a discussion concerning the FCC's proposal to eliminate the cellular analog requirement as outlined in its Notice of Proposed Rulemaking in the above referenced docket.

Pursuant to Section 1.1206 of the Commission's Rules, an original and one copy of this letter is being filed with your office. If you have any questions concerning this submission, please contact the undersigned.

Sincerely,

Dustun L. Ashton
